

Hello FIT Family,

With recent updates from TRI-County Health, FIT by Hyland Hills has moved into level “Clear”. This level removes capacity restrictions for our facility.

All members that have been fully vaccinated are no longer required to wear a mask when inside our facility.

All unvaccinated members are still encouraged to wear a mask whenever possible and to keep the appropriate 6 feet of social distance.

We appreciate your cooperation and understanding. Please feel free to email dwagner@fithylandhills.com for any questions or concerns.
